

INVITATION - PLT workshop

Tuesday March 29th, 6pm to 9pm

Dear all,

*The Home Gateway initiative will host the PLT workshop on the evening of **Tuesday March 29th, 6pm to 9pm.***

We propose this agenda :

Part 1 common meeting with telcos and all alliances (1:30)

- presentation of telcos point of view and telcos common requirements with regard to PLC.*
- open discussion*

and we propose a second part, to facilitate one to one discussions between telcos and alliances. Do you think it is a good a solution that will allow you for deeper discussion with telcos ?

Part 2 One to one between telcos and each alliance (45 mns for each F2F)

- presentation of actual technology and roadmap for the futur*
- position about :*
 - coexistence or interoperability with other technos*
 - EMC interferences (ex : VDSL, SW radio, HAM...)*

*For your registration (**deadline : May 11th**) .*
